**FROM THE EDITOR**

November saw a lot of activity at the Klub. The upper level of the building has received a thorough puttying, polishing, painting and scrubbing. This major undertaking was funded entirely by **Charyl and Ron Winner**.

It has taken weeks of commitment and hard work by David and

Thea Cozad, assisted by Joel Melcher and Darleen and John Himmelheber, working directly with the Winners, the stage was recarpeted, the bar area refurbished, walls painted and dance floor refinished. The entry, vestibule, stairwell and men's restroom were also repainted as well as all the woodwork.

The Auxiliary now has the area decorated for Christmas and it is simply beautiful. Take a look the next time you're in.

Plan your Holiday gatherings, call the Klub for reservations and enjoy the fellowship at the Klub. We look forward to seeing you.
