

The Council on International Educational Exchange (CIEE) is looking for host families for German students and other international students.

Build relationships that will last a lifetime!

The CIEE USA High School program hosts more than 55 nationalities in a group of over 1,300 students each year. CIEE also administers prestigious U.S. State Department Grants programs for students on highly selective scholarship programs from a number of countries. Share in the CIEE mission of over 60 years, "to help people gain understanding, acquire knowledge, and develop skills for living in a globally interdependent and culturally diverse world."

"At a glance, we were captivated by the huge smiles on the student photos our Local Coordinator showed us and eagerly called to say 'Yes! We want to be a host family!' Our lives were forever changed in such an unexpected and delightful way by simply opening our home and hearts to Sofia."

Become a **Host Family** with CIEE

"We have hosted several international students over the years. They have challenged our sons to study harder and to learn more, and in turn, my sons have challenged them to interact with new people, consider different ideas, and embark on new adventures."

—The Berg Family, Texas
